RE: United States Patent Application No. 09/916,249
Request for Examiner's Amendment

Examiner Bell:

Pursuant to our telephone conversation, please institute an Examiner's amendment to correct the inadvertent typographical error you detected in claim 22, for the above captioned patent application. It was our intention that claim 22 depend on claim 21, and not claim 3 as presented.

Accordingly, claim 22 should recite:

"22. The method according to claim 21, wherein the relations are =, <, >, m, mi, o, oi, s, si, f, fl, d, and di."

If you have any questions, please feel free to contact me at your convenience.

Thank you very much.
